General Plan Property Specific Requests Nov. 9 Workshop Rescheduled to Jan. 9, 2012

The Nov. 9 General Plan Board of Supervisors Workshop has been rescheduled to Jan. 9, 2012. The workshop will begin at 9 a.m. in the Board Chambers at 1600 Pacific Highway. Additional workshop days have also been reserved on Jan. 10 and Jan. 11 in the event that they are needed. A staff report will be made available 10 days before the workshop.

Please note that the 187 property specific requests previously identified by staff have been reduced to 140 requests in order to remove those requests already discussed and acted upon by the Board of Supervisors. The updated list is available to the public [here](#). Only the 140 requests will be included in staff's Jan. 9 Board report.
